

## Macro Economics and Business in Indonesia

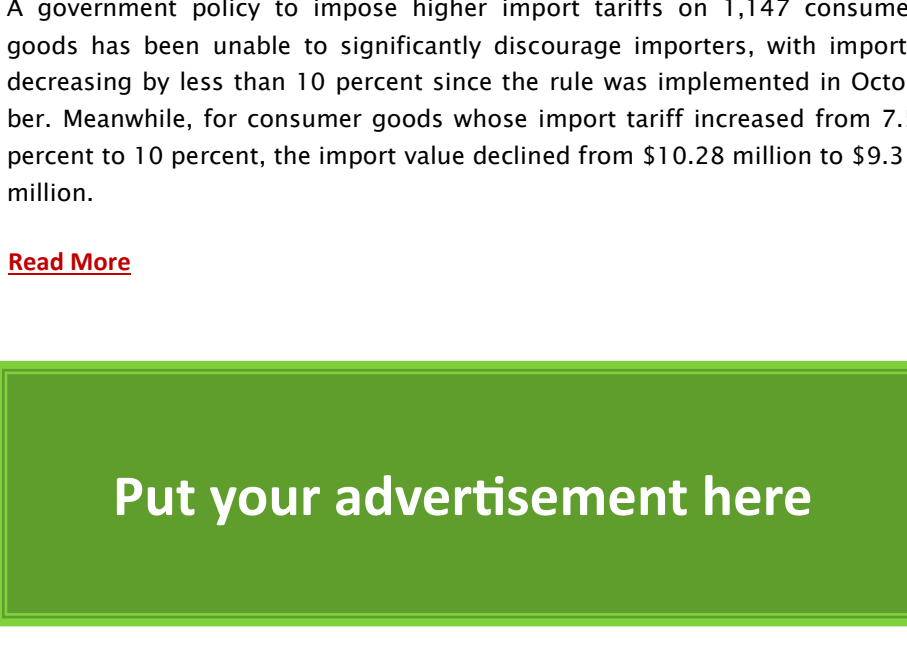

### Ministry regulates digital signature vendors

The Communications and Information Ministry is closely monitoring start ups that provide digital signatures services to prevent any misuse, an official has said. To do so, the ministry has armed itself with Ministerial Regulation No. 11/2018 on electronic certification vendors, which was issued on Sept. 6.

### Consumer goods tariff hike shows little effect in curbing imports

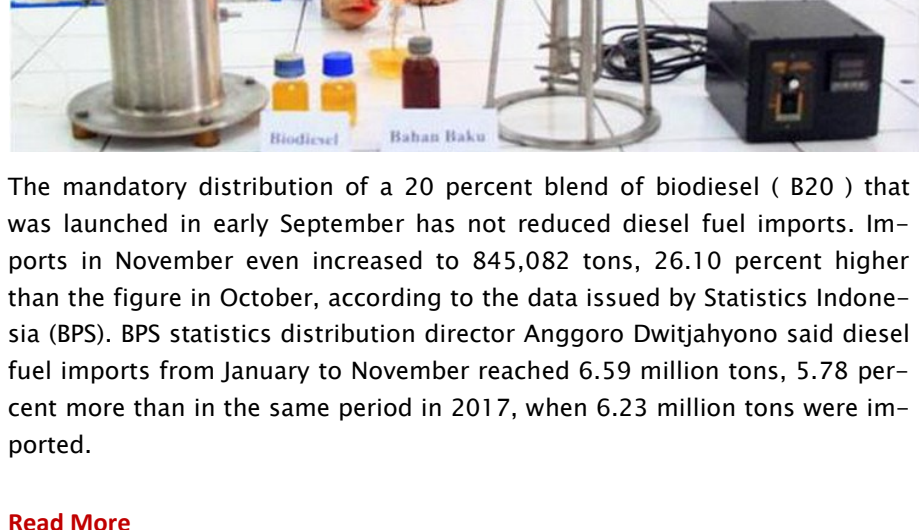

A government policy to impose higher import tariffs on 1,147 consumer goods has been unable to significantly discourage importers, with imports decreasing by less than 10 percent since the rule was implemented in October. Meanwhile, for consumer goods whose import tariff increased from 7.5 percent to 10 percent, the import value declined from \$10.28 million to \$9.31 million.

### Biodiesel policy fails to reduce diesel fuel imports: BPS

The mandatory distribution of a 20 percent blend of biodiesel ( B20 ) that was launched in early September has not reduced diesel fuel imports. Imports in November even increased to 845,082 tons, 26.10 percent higher than the figure in October, according to the data issued by Statistics Indonesia (BPS). BPS statistics distribution director Anggoro Dwiwahyono said diesel fuel imports from January to November reached 6.59 million tons, 5.78 percent more than in the same period in 2017, when 6.23 million tons were imported.
