Indonesia, EU strive to complete negotiations on economic deal in 2020

Monday, 24 February 2020

Indonesia and the European Union (EU) have agreed to complete the negotiations on the Indonesia-EU Comprehensive Economic Partnership Agreement (IEU CEPA) by the end of 2020. [Read more...](#)

Indonesia parliament tells government to tax a wider range of plastic products

Monday, 24 February 2020

The government had at first proposed to impose excise taxes on plastic bags, sweetened beverages and vehicles that emit carbon dioxide, to discourage their use, cut waste and reduce pollution in Southeast Asia's largest economy.
