GOVERNMENT'S GOOD NEWS IN THE MIDDLE OF CORONA VIRUS

Monday, 30 March 2020

In the midst of the corona outbreak that has not yet ended, it turns out that the Indonesian government has good news by issuing several policies to support the economy and prevent the spread of the virus. Let's see more in here.

Giving stimulus to the economy Corona virus stops many business activities. [Read more...](#)

IN THE MIDDLE OF CORONA VIRUS WHAT INVESTMENT IS STILL SAFE

Monday, 30 March 2020

Corona (covid-19) has become epidemic throughout the world, not just attacking human health. The global economy is weakening due to corona. In the midst of uncertainty in global conditions, many people are trying to find safer investments, what should we do? [Read more...](#)

IT'S OFFICIAL: GOVERNMENT, DIGITAL COMPANIES TEAM UP TO LAUNCH PRE-EMPLOYMENT CAR

Monday, 23 March 2020

The government teamed up with online marketplace, e-wallet and education technology platforms to officially launch the preemployment card program on Friday amid an emergency to support a workforce hit by the adverse economic impacts of the spreading COVID-19 coronavirus. [Read more...](#)

IN PAPUA, FORESTS OFFER MORE ECONOMIC BENEFITS THAN PALM OIL PLANTATIONS, RESEARCH FINDS

Monday, 23 March 2020

Promising revenues from the palm oil industry has lured Indonesia, Southeast Asia's largest economy, to sacrifice its forest areas for palm oil plantations across the country. Latest data shows Indonesia turns around 242,857 hectares of forest per year into oil palm plantations since 1990. This is approximately four times the size of Jakarta, the capital city.
